CERA PER STUCCHI D' ARTE (PASTE WAX FOR VENETIAN PLASTER)

This solvent based paste wax is the ideal wax to waterproof , protect and give a subtle glossy finish to interior walls that have been coated with the venetian plaster .

This wax is also suitable for wallpapers to which it gives a beautiful glossy finish.

USE:

Apply using a plastering trowel the same way the plaster has been applied.

You can use a cotton cloth if you do not have a trowel. Let it dry, then polish with a soft woollen cloth or with a specific polishing machine.

Spread Rate: 15- 30 mq/litre
